

Solo Alarm Smoke Sensor

Specifications

Effective fire detection from a high-spec optical smoke sensor and a range of design features including easy lock to base unit, wide-angle LED indication and built-in test switch

Technical Information

Sensor type	Ionization
Transmission range	30m line of site
Battery life	4 years
Battery cell	9V Lithium PP3
Operating temperature	-10C to +45C
Protection	IP20
Dimensions	Diameter 105mm x Depth 32mm
Colour	White
Environmental classification	Environmental class II indoor general
